A brief introduction to the sunny island of Singapore and what it has to offer....

An orientation tour of the city of Singapore is incomplete without an understanding of the Central Downtown Area. Therefore, a must-visit is the **City Gallery @ URA** – 2 levels showcasing the story of Singapore's physical transformation over the past 50 years and how the Island Republic tackles one of her many challenges – land constraints.

Stop at the **Merlion Park**, for some memorable pictures with the most famous symbol of Singapore before driving to the “colonial district”, past the **Old Parliament House, Padang, Cricket Club, new Supreme Court and St. Andrew’s Cathedral** before a free and easy visit at the **National Gallery**.

Below are the estimated times for the Tour.

- 14.15** Depart NUS for URA City Gallery at Maxwell Road (travelling time about 30 mins)
- 14.50 – 15.50** Visit at URA City Gallery (about 60 mins)
- 16.00** Leave for Merlion Park (travelling time from Maxwell Road 15 mins)
- 16.20 – 16.45** Photo taking at Merlion Park, and views of Esplanade Theaters On The Bay and Marina Bay Sands
- 16.50** Drive to National Gallery
