Field Studies VS Internship?

A 5-week intensive and multi-disciplinary overseas module will add more colour and experience to your resume than a typical internship.

- **Learn and apply Fieldwork Skills:** ethnography, interview techniques, interpersonal communication, field surveys, data collection, mapping and more!
- **Gain hands-on experience** through community-based projects, working alongside local NGOs and field experts

Programme Overview:

- Northern Thailand (Chiang Mai, Chiang Rai, Mae Hong Son)
- Northeast Thailand (Mahasarakham Province, Khon Kaen Province)
- Village Homestays
- Independent Exploration Days

Workshops on health, safety, basic Thai language and academic concepts will be conducted during the first week of the course (orientation week).
