	Common Curriculum 2		4	
	Common Curriculum 3		4	
	PL1101E		4	
	PL2131	Common Curriculum 4	4	
Year 1, Semester 2	Common Curriculum 4	Common Curriculum 5	4	<p>(a) Students on Study Plan 1 who achieve at least a B+ in PL2131 will be pre-allocated PL2132, PL3106, and two PL core courses.</p> <p>(b) Students on Study Plan 2 who pass PL1101E will be pre-allocated PL2131, PL3106, and two PL core courses.</p>
	PL2132	PL2131	4	
	PL3106		4	
	PL core course (PL3102 - PL3105)		4	
	PL core course (PL3102 - PL3105)		4	
Year 2, Semester 1	Common Curriculum 5	PL2132	4	<p>(a) Students on Study Plan 1 who achieve at least a B+ in PL2132 and PL3106 will be pre-allocated PL3257 and two PL core courses.</p> <p>(b) Students on Study Plan 2 who achieve at least a B+ in PL2131 and PL3106 will be pre-allocated PL2132, PL3257, and two PL core courses.</p>
	PL3257		4	
	PL core course (PL3102 - PL3105)		4	
	PL core course (PL3102 - PL3105)		4	
	Common Curriculum 6		4	
Year 2, Semester 2	Common Curriculum 7		4	<p>(a) The selection interview for the Clinical Internship will be held at the beginning of this semester.</p> <p>(b) Students with an average grade of A- (with no grade below B+) across PL2131, PL2132, PL3106, and PL3257, who have passed PL3102–PL3105, and who have submitted a letter of expression of interest, are eligible to apply for the Clinical Internship.</p> <p>(c) Interview outcomes will be communicated around mid-semester.</p>
	Common Curriculum 8		4	
	Common Curriculum 9		4	
	PL3231 or PL328x		4	
	PL3XXX	Common Curriculum 10	4	
Year 2, Special Term 1	Clinical Internship		8	<p>(a) The Clinical Internship will span from the start of Year 2, Special Term 1, through the end of Year 3, Semester 1.</p>
Year 2, Special Term 2				
Year 3, Semester 1	PL4208			

Year and Semester	Study Plan 1	Study Plan 2	Number of Units	Procedures
