ABOUT THE COURSE:

Play Therapy is an evidence-based psychological treatment for a wide range of child mental health difficulties. In this introduction, the participants will experience key aspects of play therapy practice.

They will gain an understanding of:

- 1) The play therapy process;
- 2) The therapeutic relationship;
- 3) How children communicate through the use of symbols and metaphors, and how to facilitate and encourage such communication;
- 4) How change is promoted through attending and facilitating child's communication through play.

WHO SHOULD ATTEND:

This course is targeted at Social Workers and all helping professionals who work with children and youths to improve their social integration, growth and development, emotional modulation and trauma resolution.

CPE CREDITS:

Course participants are eligible for Continuing Professional Education (CPE) credits with the Singapore Association of Social Workers (SASW). One CPE credit will be awarded for each contact hour. Approval of CPE credits are to be submitted through the CPE Log Book under each accredited professional's account.

ABOUT THE TRAINER:

Joanne Ng is an Assistant Senior Social Worker and Play Therapist with Children's Cancer Foundation (CCF). She believes in the healing power of play and uses play therapy in her work with children who have cancer, as well as those who have experienced the death of a loved one from cancer. She has received specialized training in Sandplay Therapy, Filial Play Coaching, Theraplay® and Trauma-focused Cognitive Based Therapy (TF-CBT). Joanne also conducts groupwork for bereaved children and group play therapy to enhance the emotional awareness, regulation and social communication for preschoolers who have gone through medical treatment.
