The George Y Soh Social Service Study Award was established by Dr George Soh, who is a NUS Dentistry alumni and also a Board Member of NUS Faculty of Dentistry Development Campaign Committee, to support Social Work students from the Department of Social Work who have demonstrated long term commitment and contributions to social services in Singapore. This Scholarship is for Social Work students who are in their **third or fourth year of study, i.e. currently in your 6<sup>th</sup> semester and after.**

The award of the study award will commence with the AY2017/2018 cohort.

## **Application Period**

Applications will be opened for 2 weeks in August

## **Value of Scholarship**

The Scholarship value shall be based on the Singapore citizen tuition fee rate (excluding the MOE Tuition Grant) of the academic course that the awardee is pursuing. The tenure of each scholarship shall be one academic year. Successful applicants may apply again for the scholarship the following year, if they meet the eligibility requirements.

## **Disbursement**

The Scholarship shall be awarded in or after the student's 6th semester (that is, in the student's Year 3 or Year 4), or when the student is no longer able to change his/her Major, whichever is earlier. If the Scholarship is awarded in the 6th Semester, the tuition fees for the 5th and 6th semesters will be reimbursed. If the Scholarship is awarded in the 8th Semester, the tuition fees for the 7th and 8th semesters will be reimbursed.

## **Eligibility**

Students must meet the following eligibility conditions:

- Singapore Citizen or Singapore Permanent Resident, with the latter being required to have completed National Service. In the case of Singapore Permanent Residents, priority will be given to Malaysian Citizens;
- Minimum GPA of 3.8; (students with a GPA of 3.6 to 3.8 may be considered if they have a strong community service track record)
- Community service criteria:
  - (i) Strong weightage will be given to applicants who have demonstrated a sustained and committed contribution over time to the community service users and who have established and maintained direct contact with service users;
