

NTU SUSEP INFORMATION SHEET

For Semester 2 of AY2021/2022 (January 2022 intake)

1. Important Dates

Date	Activity
To be advised at a later date	Online application period
By 15 November 2021	Outcome of application

2. Online Application Period

- a. Online application link: Apply [here](#).
- b. Application Note:
 - Applicants are to follow the instructions carefully before proceeding with the application.
 - Applicants will be issued with a temporary registration number.
 - Applicants are allowed to save and close the application, and re-log in to the portal at a later time to complete the form.
 - In the application form under [STUDENT CATEGORY], applicants should select “Singapore University-SEP” and the home university name from the drop-down list.

3. Supporting Document

- Submission of hardcopy documents is not required. Applicants should get ready softcopies of their photograph and latest transcript to be uploaded during application.

IMPORTANT:

- a. Exchange students are encouraged to apply for 10 courses at application stage, regardless of the exchange mode (full/partial). This is to allow for flexibility during the course registration as there is no guarantee that the courses will have available vacancies and will not have timetable or exam clashes. NTU does not re-schedule class schedule and examination date for such reasons.
- b. Course approval and allocation are subject to meeting pre-requisites and vacancies availability.
- c. Some NTU courses are extremely popular and allocation cannot be guaranteed. Please click [here](#) to check for courses with restriction or limited vacancies before submitting the course selection.
- d. Only approved courses may be allocated. **The allocation of approved courses will be completed by early January 2022.**
- e. Semester workload at NTU:
 - Partial exchange: minimum 1 course
 - Full exchange: maximum of 6 courses or 20 AUs

4. Other Useful Information

a. **ACADEMIC UNITS**

NTU courses are assigned credits based on the [Academic Unit System](#). Students are advised to consult their home university to determine the mapping between NTU's AU and their home university's credit system.

b. **CURRICULUM STRUCTURE**

Learn more about the curriculum structure of the various schools at this [link](#). This may be used as a guide to determine the course level.

c. **COURSE CONTENT**

Learn more about the subjects and courses available at NTU [here](#). Please choose a similar semester in the previous Acad Yr as a reference for courses to be offered. The confirmed offer of the course and the class schedule will be released in mid-May 2021.

d. **FEES**

Tuition fees are paid to the home university and waived by NTU. Miscellaneous student fees are compulsory at NTU for SUSEP students. Please refer to the Fees & Expenses section [here](#).
