

LETTER OF UNDERTAKING

I, _____(Name & matric no.)
declare that I will be pursuing my Honours Studies. I acknowledge that by going on exchange in my 5th/6th semester that I will run the risk of graduating one semester later and will only attend commencement in the following academic year. (In the event that I have to graduate with a B.A. due to unforeseen circumstances despite the intention to pursue Honours.)

As a result I am willing to accept the consequences of:

- payment of tuition fees for an additional semester (if applicable);
- delayed promotion from ARS3 to ARS4/SOC4 and;
- being unable to read courses that are offered in only one semester of the academic year (hence exacerbating the effects of the preceding point).
