For the latest updates on information and schedules, please visit the *FASS Homepage > Undergraduates > To Check > Calendars*. Changes (if any) will be marked out in **red**.

Note:

1. Students need to use the Academic Plan Declaration system via myEduRec to declare/change majors and minors. Declaration/change of majors/minors are **NOT** allowed once the course registration exercise begins. Please note that only one attempt is allowed per semester and no changes are allowed once the declaration is submitted. Changes can be done at the beginning of the following semester as long as students are not past their 5<sup>th</sup> semester. However, students should note that any such changes may have an impact on the duration of their candidature.
2. Students who drop courses during the “F” grade period will have the “F” grade factored into the GPA and reflected on transcript. In such cases, the S/U option cannot be exercised.
3. By completing the Online Student Feedback Exercise, the course feedback points will be used as a tiebreaker on CourseReg@EduRec in the event students have the same priority score for a course.
