

### **Application Checklist: Student Exchange Programme (SEP)**

These are the documents needed to apply for exchange.

S/N	Item	Remarks
1.	Application Form	Please complete and submit the application form found in EduRec-GE. Application status should reflect as <b>“Submitted” under the right application ID and Run</b> if not, we will not be able to pick your application up. It is the student’s responsibility to ensure the status is reflected correctly before the deadline. We will not entertain any appeals due to IT issues. If you have issues, write to us before the deadline.
2.	Unofficial Transcript	Unofficial Transcripts can be generated from EduRec. Please upload PDF into the upload box in the application form in EduRec-GE.
3.	Study Plan	Upload a tentative study plan for each partner university you applied for.  This plan is tentative and does not mean that NUS has approved these courses and the PU will register you in these courses. Instead, this is to help you research and let us see your plans. Students will need to ensure that the courses they list are open to exchange students. No mapping is needed at this stage.
4.	Undeclared Major	Students intending to read FASS discipline as first major or change major, write to <a href="mailto:studyabroadfass@nus.edu.sg">studyabroadfass@nus.edu.sg</a> with the intended major when on SEP so that the application will be processed.
5.	Personal Statement	Students should aim to write quite specifically, their reasons for applying to the countries/locations or partner universities. Students do not have to keep within academic perimeters. Non-academic reasons for their choices are also acceptable. Share with us how SEP will contribute towards your academic and/or non-academic plans/goals.

Note: If the PDFs are too large, either resize it or send it to [studyabroadfass@nus.edu.sg](mailto:studyabroadfass@nus.edu.sg)
