Admission Requirements	**Interested Semester Exchange Applicant should:** • Be an **undergraduate student;** • Be nominated by your home university; • Have completed *at least* 1 semester of undergraduate studies before enrolment at SUSS and must *continue to be registered* at your home university throughout your exchange at SUSS; • Not be in your final year of study at your home university while on exchange at SUSS.
Academic Requirements	• Minimum GPA requirement of 3.3 over a 5-point scale; • Students nominated for the Semester Exchange should ensure that they have the **proficiency in English** to understand and follow the pace of lessons. • Certain courses have pre-requisites. SUSS will contact students for relevant supporting documents if required.
Language Requirements -	• Applicants who are international students fully matriculated in a local university with qualifications where English is not the medium of instruction are required to submit supporting documents to prove that they have met the level of English Proficiency. List of accepted test results: (i) IELTS (Academic)# band of 6.0 to 6.5, or (ii) TOEFL-iBT(internet-based) # score of at least 75 to 80, or (iii) PTE Academic# score of 51.6 to 58.5, or (iv) C1 Advanced# score of at least 193–199, CEFR grade B2, CEFR level of C1. *# Test scores must be obtained within the last 2 years at point of admission.* • Students who are not able to produce the abovementioned certificates/transcripts may submit a Declaration Letter of English Proficiency endorsed by the professors or international office of their home university.
Required Documents	**To ensure a smooth application process, please prepare the following documents:** • Scanned copy of Identification Card (NRIC) • Scanned copy of Student Card issued by Home University • Copy of official academic transcript • Pre-tertiary Institution's Certificate of Completion • Record of courses student is taking in the current semester at home university • A clear passport size photo • Nomination letter by home university (if applicable)
Workload per Semester & Courses Selection	At SUSS, full-time undergraduates usually take 3 to 6 courses per semester (15-30 Credit Units [CUs]), with each course typically allocated 5 CUs. Inbound students on PARTIAL SUSEP must **select** at least 3 to 6 courses in SUSS during the application period. Inbound students who have accepted the PARTIAL SUSEP must be **enrolled in at least 1 course in SUSS** during the semester to remain in the programme.

Course Catalog for Exchange Students	Majority of the courses are open to visiting students. Please refer to the attached PDFs for courses offered. To view the course outlines, you may make use of SUSS CourseFinder. Do remember to set the filter for Undergraduate Modular courses. Alternatively, you may use this link to search for the course outline: https://www.suss.edu.sg/courses/detail/**acc210** The final characters (in bold) refer to the course code. You can change the course codes according to the course that you are searching for. For example, "acc210" can be changed to "fin203", https://www.suss.edu.sg/courses/detail/**fin203** **For the list of courses not available to inbound students, please refer to attached PDF, "Exclusion list".**
Course registration and Course Load Requirements	Nominated students will receive an email from the Global Learning team with a link to an online Application Form via email. Students are encouraged to *select* at least 6 courses for a partial SEP, or up to a maximum of 15 courses for a full SEP, via the online Application form. As a Local Student (Singapore Citizen & Singapore PR) • You must be enrolled in at least **1 SUSS course (5 Credit Units)** for the semester. • The maximum course load allowed is **6 courses (30 Credit Units)** per semester.
Course Registration during application period	Students may select up to 15 courses as part of their application (Note: All students must select at least 3 - 6 courses), in case of any timetable or examination clashes. Courses are to be ranked according to priority. Changes to course selection are permissible on a case-to-case basis after the submission of the application form. As students are not guaranteed places for any course, it is recommended that you select the maximum number of courses according to priority to ensure that you are allocated the minimum number of courses (15 CU). Note: There is a possibility where courses that are granted approval during the application period do not run during the semester due to low sign-ups or any other reason. Do ensure course planning is prepared with consideration.

Course Restrictions	Please refer to the exclusion list for course restrictions attached. Kindly note that this exclusion list will be updated as and when required. The latest copy, if any, will be sent promptly to partner universities. All exchange students are only permitted to attend courses designed for undergraduates. The course codes should fall within the range of 100-400 (for example FIN205, BUS362 and FIN415), **not** including courses within the exclusion list.
Credit Transfer	It is the student's responsibility to ensure that the SUSS courses selected are transferable for credits at their home university. To find course outlines, students can make use of the SUSS CourseFinder.
Language of Instruction	English is the main medium of instruction in SUSS, with the exclusion of Language and/or language-related courses that are conducted via non-English languages. *Majority of the classes are conducted in English.*
Accommodation	SUSS does not offer on/off-campus accommodation.
Orientation Programme	Orientation day typically takes place on the weekend (Saturday) prior to the start of semester. The Global Learning team will send an email to notify all inbound students to join the event. All inbound students are welcome to campus for the orientation prior to commencement of the semester.
Student Insurance	Exchange students are required to be covered by a compulsory health insurance plan with their home university. SUSS does not provide insurance coverage for visiting students.

Tuition Fees	**This is a fee-waiver exchange programme.** In accordance with the student exchange agreement with our partner universities, exchange students are **not** required to pay tuition fees to SUSS. However, other administrative fees are applicable i.e. SUSS Miscellaneous fees, additional fees for course materials, etc. **Other Fees** You will be subject to a nominal administration fee of $100.00 (there will be an additional 9% GST at point of billing) if you wish to withdraw from a course **more than two weeks after the semester commences**, or after enrolment in a course is completed (whichever is earlier). **Refund Policy** If a written notice of withdrawal is given within the cooling off period#, a full refund of the fees paid will be given. No refund will be given for withdrawal thereafter. #*The cooling off period is defined as 7 working days after payment of the fees to the University.*

Instructions to Search for Course Outlines

To view course outlines for Undergraduate courses, please use the SUSS CourseFinder:
https://www.suss.edu.sg/courses/course-finder/?types=modular-undergraduate-course

Method 1: Using CourseFinder

1. Apply the filter under **Course Type:** Modular Undergraduate Course
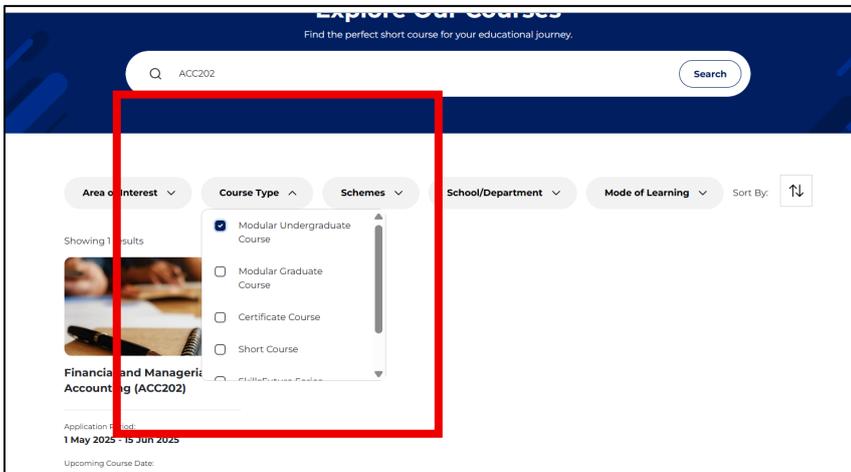

2. Ensure the filter is applied **before searching** for course outlines.
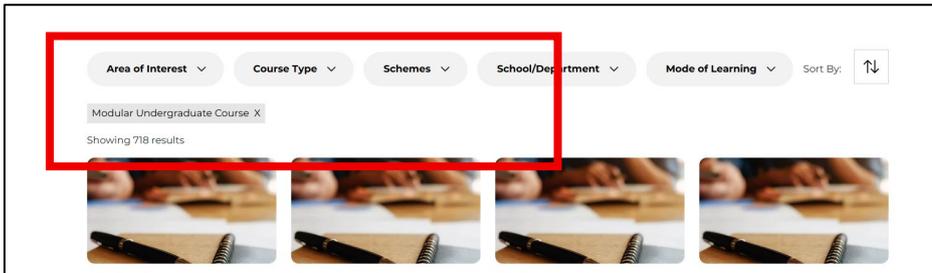

3. Set the filter to **"Undergraduate Modular Courses"** to view courses available for **inbound semester exchange students**. Enter the course code or course title in the Search field.
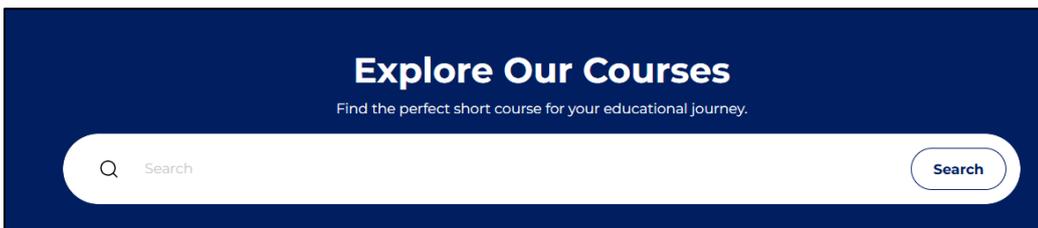

Method 2: Direct Link to Course Outline

You may also search for a course outline directly by typing the following format into your browser:

https://www.suss.edu.sg/courses/detail/acc210

- The **final characters (e.g., acc210)** represent the **course code**.

- Replace these characters with the course code you wish to search.
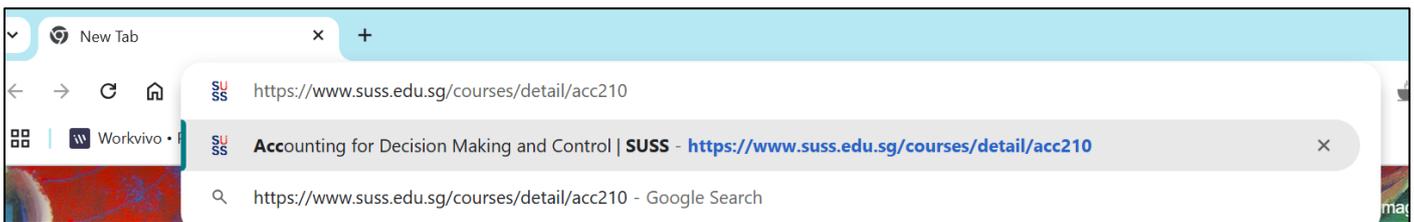

Example:
To view the outline for **FIN203**, change acc210 to fin203:
https://www.suss.edu.sg/courses/detail/**fin203**

The **Course Outline** will then appear on the page.

Downloading the PDF Version

If you prefer a **PDF copy** of the course outline:

1. Scroll to the **bottom of the course page**.

2. Click **"Full-time Programmes"** or **"Part-Time Programmes / CET Courses"** to download the PDF.

Important: Check Course Presentation Pattern

Students must verify the **presentation pattern** of each course before selection.

For students who are selecting courses offered in the **JULY** semester, you may select courses that are offered:
~~Every Jan~~ / **Every July** / **Every Regular Semester**

Example from Course Details	Selection
Synopsis ACC210 Accounting for Decision Making and Control builds upon the foundation established in ACC203e and focuses on the use of accounting information for planning, control and decision making within organisations. In this course, students will acquire decision making tools such as variance analysis, cost-volume-profit analysis, relevant costing and incremental analysis. In addition, this course will cover the use of standard costing and capital budgeting for planning and control purposes. While the bulk of this course still pertains to the "decision-facilitating" role of accounting, students will be introduced to the "decision-influencing" role of accounting through discussions of behavioural implications of standard costing. Level: 2 Credit Units: 5 Presentation Pattern: EVERY JAN	**Offered "Every Jan"** → ❌ **Do NOT select** for July exchange
as the PSSCOC, SIA and REDAS contracts, where students will learn h... maintenance, servicing, operation and the refurbishment contracts. Fact Sheet on Course Registration Restrictions for Inbound Students on Student Semester Exchange

Important Course Registration Restrictions for all inbound students

Note: All applicants for SUSS Inbound Semester Exchange must be matriculated students at their respective home universities or institutes.

1. SUSS' courses are coded in the following convention: Course Abbreviation + Digit for Course Level + Assigned Course number. The first digit in the course code denotes the level of the course. For example, BUS103 indicates a Level 1 Business course.

   Note that:
   - **Courses coded with 10X – 40X** are *undergraduate courses*.
   - **Courses coded with 50X and above** are *graduate courses.*

2. **All** post-graduate courses under the Graduate Studies programmes (**Graduate Diploma, Master and Doctor programme**s) are **NOT** open to inbound students on Semester Exchange. Course codes under these programmes typically range from Level 50X to Level 60X, with a small handful of Level 40X courses falling under the Master programmes.

3. ALL courses from the School of Law are **NOT** open to inbound students on Semester Exchange.

   - Graduate Diploma in Taxation: Courses are prefixed with "TAX"
   - Master of Taxation: Courses are prefixed with "TAX"
   - Bachelor of Law: Courses are prefixed with "LAW"
   - Juris Doctor: Courses are prefixed with "LAW"

4. All courses from the following Undergraduate study programmes are NOT open to inbound students on Semester Exchange:

   a. Bachelor of Early Childhood Education (with Minor): Courses are prefixed with "ECE"
      Note: This is applicable to BOTH Full-Time and Part-Time Early Childhood Education programmes.

   b. Bachelor of Early Childhood and Chinese Language Education (学前华文教育学士学位)
      Note: Courses are prefixed with "ECC" and "ECL"

   c. Bachelor of Social Work (Full-Time): Courses are prefixed with "SWK"
      Note: This is applicable to BOTH Full-Time and Part-Time Social Work programmes.

   d. BA Tamil Language and Literature: Courses are prefixed with "TLL"

5. Requests for any courses not listed in the course offerings and/or course mentioned in this document will **NOT** be granted as they are not available for the semester exchange programme. All appeals for approval will <u>NOT</u> be entertained.

   Note: Some courses offered at point of course selection period may not be available towards the course confirmation period due to low enrollment rates.

6. Request for LAB-based courses are **subject to the approval.** SUSS reserves the right to review and/or reject any requests for courses that involve lab sessions. All appeals for approval will <u>NOT</u> be entertained.

7. All Undergraduate courses with course codes prefixed with:
   - "NCO",
   - "NIE",
   - "CDO",
   - "ETB",
   - "SDE",
   - "ECE"/"ECL"/"ECC", and
   - "SWK".

   Are not listed in the course offering and strictly **NOT** open to inbound students.

8. The following courses are **NOT** included in the course offering as they are **NOT** open to inbound students.

   - ANL321;
   - BUS490;
   - MKT498;
   - MKT499;
   - NIE499;
   - BIS388;
   - COU-coded courses;
   - All courses that involve international travelling;
   - HBC105;
   - HBC215;
   - LOG223; and
   - VIS251

9. Approval for courses prefixed with "FMT" will be considered on case-by-case basis only if applicants have prior knowledge or background in buildings and/or building services that meet the pre-requisites of the FMT- courses. SUSS reserves the right to decline students' course requests.

10. Courses with pre-requisites may or may not be open to inbound students, hence interested applicants who decide to apply for such courses should have the supporting documents ready to verify their eligibility for the course.

   In addition, inbound students should understand that they may not eventually be successful in their request for a particular course or courses even if they are able to produce proof of fulfilment of pre-requisites.

11. External courses that come with additional costs and/or are not conducted within SUSS premises are **<u>NOT</u>** offered to inbound students.

12. Students who wish to take <u>MLL181 Malay Language for Work 1</u> should have basic background knowledge of the Malay language, for example, proficient enough to be able to maintain a (daily) conversation.

    Note: Students should <u>NOT</u> hold formal qualifications like the "A" and/or "O" Levels Certificate for Malay language.
