

**Course Mapping Restrictions by Departments
(Cohort 2021 onwards - CHS students)**

	Dept	Level 1000	Level 4000	Courses that cannot be mapped
1	CH/CL	The Department will not map CH1101E and CL1101E	A maximum of two level 4000 courses (8 Units) could be transferred from all and not each exchange programme participated. Remaining 12 Units should be completed at NUS. Any L4000 Units earned out of the maximum will transfer as L3000 instead.	CH1101E, CH2121, CH2141, CH2161, CH2162, CH2221, CH2243, CH2252, CL1101E, CL2101, CL2102, CL2103, CL2280, CL2281, CL3104
2	CNM	The Department will not map NM1101E.	A maximum of two level 4000 courses (8 Units) could be transferred from all and not each exchange programme participated. Remaining 12 Units should be completed at NUS. Any L4000 Units earned out of the maximum will transfer as L3000 instead.	All NM Core courses (NM2101, NM2103, NM2104) and NM4102 For other courses, the department generally will only approve mapping to department dummy codes, eg. NM174X, NM274X, NM374X and NM475X. Students are encouraged to avoid mapping modules which are pre-requisites of other courses they intend to read in the future.
3	EC	The Department will not map EC1101E.	The Department will not map level 4000 courses.	All EC compulsory courses (EC1101E, EC1301, EC2101, EC2102, EC2104, EC2303, EC3101, EC3102, EC3303, EC3304) and EC4000/5000R courses. We also do not map General Education courses and SEP courses that integrates two distinct topics that are taught and offered separately in NUS – such as International Economics which may combine International Trade and International Finance.
4	ELTS	The Department will not normally map courses to EL/EN/TS1101E but under special circumstances will allow mapping to EL/EN/TS1101E.	The Department will not normally map courses to 4000 level, but under special circumstances will allow mapping to a maximum of one 4000-level course (4 Units) for all exchange programmes.	EL2101/EL2102/EL2151
5	GE	The Department will not map GE1101E	A maximum of one level 4000 course (4 Unit) could be transferred from all and not each exchange programme participated. Remaining 16 Units should be completed at NUS. Any L4000 Units earned out of the maximum will transfer as L3000 instead.	GE2101 /GE2102 /GE2103 /GE2215 /GE2231/ GE3240 and HS2907
6	GL	The convenor will generally not map GL1101E. There might be very exceptional circumstances where it may be possible.	A maximum of two level 4000 courses (8 Units) could be transferred from all and not each exchange programme participated. Remaining 12 Units should be completed at NUS. Any L4000 Units earned out of the maximum will transfer as L3000 instead.	Task Force
7	HY	The Department will allow for the mapping of HY1101E on a case by case basis (particularly for students who return from SEP after studying an exposure-type course and decide they want to take up a HY major).	A maximum of one level 4000 course (4 Unit) could be transferred from all and not each exchange programme participated. Remaining 16 Units should be completed at NUS. Any L4000 Units earned out of the maximum will transfer as L3000 instead.	The Department will not map: HY2259 AH2101 (Art Minor students)
8	JS	The Department will not allow students to map JS1101E.	All L4000 should be completed at NUS	
9	MS	The Department will not map MS1102E.	All L4000 should be completed at NUS	
10	PH	The Department will allow non-major students only to map GET1029	A maximum of one level 4000 course (4 Unit) could be transferred from all and not each exchange programme participated. Remaining 16 Units should be completed at NUS. Any L4000 Units earned out of the maximum will transfer as L3000 instead.	

11	PL	Students are allowed to map PL1101E.	A maximum of one level 4000 course (4 Unit) could be transferred from all and not each exchange programme participated. Remaining 16 Units should be completed at NUS. Any L4000 Units earned out of the maximum will transfer as L3000 instead. <i>*subject to the proviso that the course should at least be reasonably classified as level-4000 or equivalent, and should be a psychology course. The approval is based on a number of factors, including 1) the topic of the course, 2) difficulty level as described by the partner university, 3) mode of delivery of the course, 4) class size, 5) number of prerequisites, 6) continuous assessment components, and 7) detailed description of the syllabus. Students should not assume that a course at the partner university that meets some of these factors (e.g., the title of the course or class size) can be mapped automatically.</i>	Mapping to PL2131 is allowed. However, mapping to PL2132, PL3231, PL3551 and lab courses is not allowed. L4000 PL dummy codes cannot be used to fulfil the following: Capstone group, Biological, Cognitive and Developmental group and Abnormal/Clinical, Social and Applied group
12	PS	The Department will not map PS1101E	A maximum of two level 4000 courses (8 Units) could be transferred from all and not each exchange programme participated. Remaining 12 Units should be completed at NUS. Any L4000 Units earned out of the maximum will transfer as L3000 instead.	The Department will not map PS3257 Political Inquiry.
13	SAS	The Department will map SN1101E if suitable.	A maximum of two level 4000 courses (8 Units) could be transferred from all and not each exchange programme participated. Remaining 12 Units should be completed at NUS. Any L4000 Units earned out of the maximum will transfer as L3000 instead.	
14	SC/AN	The Department will not map SC1101E and AN1101E.	All L4000 should be completed at NUS	All SC and AN compulsory courses
15	SEAD	Mapping of SE1101E is not allowed.	A maximum of one level 4000 course (4 Unit) could be transferred from all and not each exchange programme participated. Remaining 16 Units should be completed at NUS. Any L4000 Units earned out of the maximum will transfer as L3000 instead.	
16	SWK	The Department will not map SW1101E	A maximum of one level 4000 course (4 Unit) could be transferred from all and not each exchange programme participated. Remaining 16 Units should be completed at NUS. Any L4000 Units earned out of the maximum will transfer as L3000 instead.	All SWK compulsory courses will not be mapped; For SWK elective courses, department will generally only approve mapping to department dummy codes, e.g. SW27xx, SW37xx, SW47xx etc.
17	PPE	NA	One 4000-level course (4 Units) could be transferred from all and not each exchange programme participated, subject to the owning department's approval. Any L4000 Units earned out of the maximum will transfer as L3000 instead. A second 4000-level course may be mapped if the need arises (please write in to specialization department with your justification). To map the exchange course to a specific course code, write to the owning department (e.g. to map PE4101P, write to PH). If you want your exchange course mapped to a dummy code, write to the specialization department. In both cases, provide information about the prospective course syllabus to show that it is PPE relevant.	GET1029, PE2101P, PS1101E, PS2244, PS2249, PS3249, PS3257, EC1101E, EC2104, EC2101, EC2102, EC2303, EC3101, EC3102, EC3303, EC3304 and all L4000 Economics courses.
