ACADEMIC INFORMATION

STUDY LEVEL

NTU-SUSEP is open to Undergraduate (UG) students.

MODE OF STUDY AND WORKLOAD

Applicants have the option to enrol as partial or full exchange students. Partial exchange students must register for at least one course, while full exchange students can enrol in a maximum of 20 AUs.

ACADEMIC UNITS AND GRADING SYSTEM

NTU's courses are assigned credits based on academic units. Most courses offered in NTU are worth three to four AUs.

The AU is a measure of the student's workload associated with both class attendance and preparation. For a typical one-semester course, the number of AU is calculated as follows:

- 1 hour of lecture/tutorial per week : 1 AU
- 3 hours laboratory/fieldwork per week : 1 AU

NTU uses the Grade Point Average (GPA) system in awarding grades. The Pass/Fail option is not applicable to exchange students.

COURSE SELECTION AND RESTRICTIONS

NTU offers a wide range of undergraduate courses and limited selection of postgraduate courses. Exchange students are **strictly not allowed** to apply or appeal for restricted courses. (Refer to 'Course Matters' for more.)

OFFICIAL TRANSCRIPTS

Official NTU transcripts will be made available to your home university's exchange office within two months of completing the exchange programme. There is no need to request these transcripts.

WITHDRAWING FROM THE PROGRAMME

You must inform your home university in writing of your decision to withdraw, with NTU's Office of Global Education and Mobility (OGEM) in copy.

IMPORTANT

Your completed application must be received within the stipulated deadline. Late applications will not be processed. Incomplete applications will cause delays, affecting subsequent processes.

COURSE MATTERS

In your application, you will be asked to list 10 courses. At least 50% of these courses should be from the School corresponding to the 'Equivalent NTU Programme' option you select.

COURSES OFFERED

UG course offerings will only be published in May and November (for Semester 1 and 2, respectively). The previous year's courses offered may be as a reference.

 [COURSE SELECTION](#)

RESTRICTED COURSES/PROGRAMMES

SUSEP applicants are ***strictly not allowed*** to apply for/read restricted courses and programmes. Students should not appeal for such courses.

 [RESTRICTED COURSES](#)

COURSE APPROVAL AND ALLOCATION

The courses listed in your application will undergo evaluation by the offering School(s) based on the academic documents you submit. Courses considered suitable will be approved for you to read.

CREDIT TRANSFER

You are responsible for ensuring that the NTU courses you select are eligible for credit transfer at your home university. Detailed course syllabi are available on the NTU website via a simple web search. If you have difficulty finding the necessary information, please contact the Office of Global Education and Mobility (OGEM) for assistance.

KEY THINGS TO KNOW: COURSE ENROLMENT

Due to capacity constraints, courses offered by NTU's College of Computing and Data Science (CCDS) are temporarily unavailable to exchange students until further notice. Depending on your academic requirements, suitable alternatives may be found among the offerings of NTU's other **five Engineering Schools** [↗](#).

Some courses at NTU are highly popular, and places can be competitive across all schools. To maximise your chances of securing a suitable course load, it is important to remain flexible in your course choices.

Course registration is an ongoing process that continues until Teaching Week 2 of the semester. You will be able to review and adjust your course plan during the add/drop period in Teaching Weeks 1 and 2 after your arrival.

Please note that course approval does not guarantee enrolment. Final enrolment is subject to the availability of vacancies as well as class and examination timetable considerations, and takes place through a separate registration exercise at a later stage.

OTHER MATTERS

HEALTH/MEDICAL DECLARATIONS

To ensure that your wellbeing is addressed, declare all existing conditions (medical, physical/mobility, sensory, neurological, learning disabilities, etc.) in your application. You may be asked to provide medical records or specialist reports for evaluation.

MISCELLANEOUS FEES

The compulsory miscellaneous fees help to meet part of the costs of providing programmes and amenities, IT services, and other academic-related services to students. Successful applicants will be advised of the amount payable in due course.

FROM APPLICATION TO ARRIVAL

PRE-APPLICATION

Your exchange coordinator will nominate you in our portal. Once your nomination is submitted, you will receive an email with the application link and instructions to begin your application.

STEP 1: APPLY ONLINE

Complete the application, ensuring that the **application instructions** are followed closely.

STEP 2: ACCEPT THE OFFER

When your application is approved, you will receive the E-Welcome Package with login details for the **GEM Trailblazer/Study Abroad Portal** to accept your offer and begin Step 3 tasks.

STEP 3: COURSE REGISTRATION

Course registration is an ongoing process that extends into the start of the semester. Students must stay informed about all tasks, deadlines, requirements, and concerning course registration.

The **GEM Trailblazer Exchange/Study Abroad Portal** contains key onboarding formalities and information, including:

- Letter of Enrolment (LOE)
- Course registration processes and deadlines
- Other essential onboarding details

STEP 4: ATTEND PRE-ARRIVAL BRIEFING

The briefing will cover essential information about course registration and academic matters.

STEP 5: ARRIVE AT NTU

Attend the Orientation Briefing, join the Campus Tour and start classes while finalizing courses in the add/drop period (Teaching weeks 1 and 2).

Orientation Briefing & Campus Tour

Join us in Week 0 each semester for a great opportunity to connect with local and international students from our exchange and inbound programmes.

It's the perfect time to build friendships, expand your network, and experience campus life at NTU. Don't miss the Orientation Briefing and guided campus tour—your first steps to settling in and starting your NTU journey with confidence.

HAVE A QUESTION?
