The information in this calendar is correct at date of publication (19 October 2026).

For the latest updates on information and schedules, please visit the *FASS Homepage* > *Undergraduates* > *Academic Calendar.* Changes (if any) will be marked out in **red**.

Notes:

1. If you intend to apply for graduation (AFG) or withdraw your AFG application filed earlier, you need to email fashelp@nus.edu.sg and clearly state the following in the email:
   a) Whether you are writing in to AFG or withdraw your AFG
   b) for which semester it applies to
   c) for AFG, please also indicate your academic plans:
      i) Primary Major (with or without Honours for cohorts 2020 and before)
      ii) 2nd Majors or Minors (if any)

   Please note that emails submitted from non-NUS email accounts will not be accepted.

   Students who have applied for graduation but decide to withdraw must submit the withdrawal request to the Dean's Office via email within **3 working days** of the release of examination results.

   If you register for Special Term courses:

   (a) If you have AFG-ed earlier, you MUST submit the AFG withdrawal request to the Dean's Office via (fashelp@nus.edu.sg).
   (b) If you intend to graduate after the completion of the Special Term courses, you will only be conferred the degree at the earliest on 31 August and will be eligible to attend the Commencement ceremony only in the following year.

   IMPORTANT: We regret that if you miss the stipulated AFG period for the current semester, you will be conferred the degree later. If you do not AFG in Semester 1 or 2 of AY2026-2027, you will miss Commencement 2027 and will attend Commencement 2028 instead.

2. Students need to use the Academic Plan Declaration system via myEduRec to declare/change majors and minors. Declaration/change of majors/minors are **NOT** allowed once the course registration exercise begins. Please note that only one attempt is allowed per semester and no changes are allowed once the declaration is submitted. Changes can be done at the beginning of the following semester as long as students are not past their 5th semester. However, students should note that any such changes may have an impact on the duration of their candidature.

3. Students should declare/change their Major/Minor before the start of Course Registration on CourseReg@EduRec.

4. Applying for graduation only indicates that you intend to graduate in Semester 2, AY2026-2027. You must check that you meet graduation requirements before you AFG.

5. Students who drop courses during the "F" grade period will have the "F" grade factored into the GPA and reflected on transcript. In such cases, the S/U option cannot be exercised.

6. By completing the Online Student Feedback Exercise, the course feedback points will be used as a tiebreaker on CourseReg@EduRec in the event students have the same priority score for a course.
