Release of course information on FASSIP website

Students can submit their internship proposal to read the course from Jan to early May

Review of FASSIP proposals and Enrollment into Course

Students will have to secure an internship to read the course.

Internships can be sourced from NUS TalentConnect or from Companies' career pages. **Be discerning with opportunities from Public Job Portals. When in doubt, approach your FASS Career Advisors for advice.**

Enrolment into course

Students will be officially enrolled into the course until early Jan.

Enrolment status will be visible on CAVAS by early/mid- Jan.

Duration of the FAS2551/FAS2551A & FAS2552/FAS2552A internship

The internship should last at least 12 weeks or for the duration of the course (16 weeks). Students will submit work plan and fortnightly journals throughout the internship.

Please refer to specific dates and assessment tasks from the FASSIP website

Final Submissions

Students will submit final report and Employers will submit their evaluation for grading of interns' performance which is **due by end Apr or 1 week after the end of internship (whichever is earlier).**
